

The Ontario Outdoors Recreational Alliance (OntORA) is a volunteer, non-profit organization dedicated to equal public access to Crown land for ALL people in Ontario.

**“Ontario taxpayers are restricted from accessing thousands of public lakes set aside for the exclusive use of paying tourists!”**

The Ontario Ministry of Natural Resources (MNR) has severely restricted public access to thousands of square kilometers of Crown land and approximately 2,000 of our best and biggest lakes to “protect remote tourism values”.

In some cases these “remote tourism values” even provide exclusive benefits to tourist outfitters that are foreign owned! The average Ontario fisherman, hunter, and family out for a hike or camping trip are relegated to second class status on their own public lands and lakes.

*OntORA believes that all public land in Ontario should be enjoyed by everyone, regardless of income, social status, or political affiliation.*

**Help stop this injustice >>>**

Join OntORA now. It's only \$20 - that's less than an hour of gas to get to your favourite fishing or hiking spot. And, you'll help preserve public lands for future generations to enjoy.
